

Careers Programme IMPACT

Vision	Impact will provide students with the knowledge, skills and understanding they need to be employable, confident and well-informed young adults ready to pursue successful careers.
Aims	<ul style="list-style-type: none"> To contribute to strategies for raising achievement, especially by increasing motivation, attitude to learning and attendance To encourage participation in continued learning including higher education, further education and apprenticeships To provide students with the relevant careers inspiration and guidance that is suitable to their personal needs including age, ability, attitudes and aptitudes. To ensure that students have detailed knowledge and understanding of the opportunities open to them post-16 and post-18 To enable students to cope effectively with and plan for transition To reduce course switching in education and training and prevent NEET. To contribute to the economic prosperity of individuals and communities
