

11<sup>th</sup> October 2022

Dear Parents/Carer,

We are looking to recruit a parent governor onto the management committee at Impact Pupil Referral Unit.

Parent member's do not need to be experts in the field of education, what is needed is an interest in the welfare of students together with the time and willingness to be involved. Your skills will be very useful as part of the management committee. You will need to build relationships with a range of people, to be able to work as part of a team, to be able to question and the ability to make connections between different types of information.

The management committee is responsible for the conduct of the school and for promoting high standards and carries out its role by supporting the vision for the school and ensuring that the school works effectively towards achieving the vision. It does this by building a thorough knowledge of the school and its community, by supporting and constructively challenging the school.

The management committee is made up of parent members, staff members and co-opted Governors who are expected to:

- Attend two meetings a term.
- Visit the school formally for monitoring purposes
- Attend training courses, perform additional research as required and take part in monitoring of at least one area of the school's work.

If you are interested in applying for the role, please contact school for a nomination form and return it to Mrs E Oliver at the Dale Acre site or by email to [finance@pru.sefton.school](mailto:finance@pru.sefton.school). If we receive more applications than there are vacancies, a secret ballot will be carried out. We will inform you closer to the time if we have to do this.

Kind regards

Jason Webb  
Acting Headteacher
